LEVERAGE THE POWER OF PEER LEARNING THROUGH

# PEERSPECTIVES<sup>®</sup>

ROUNDTABLE SYSTEM

PeerSpectives, a unique roundtable structure designed especially for leaders of companies, is coming in January of 2021.

**PEERSPECTIVES Roundtables**, provide a confidential forum where participants can share challenges and experiences – and enhance their capabilities.

## PARTICIPANTS BENEFIT FROM:

- Trained, certified, experienced facilitators
- An structured protocol that creates a safe space and confidential forum
- Experience sharing (not advice) with other owners from non-competing businesses

### Who Should Participate?

Owners, Founders, and CEOs of Growth Companies, Woman-Owned Businesses, Solopreneurs, Startup and Emerging Companies.

### What can one Expect?

- A regular, monthly opportunity to learn and share ideas with 8-12 other owners that "get" you and your challenges
- A confidential "sounding board" and well of experience to help with the tough decisions that will drive growth and performance for your business
- The benefit of the experience of other owners, without the burden of "bad advice"
- A reduction in the isolation and stress often experienced by owners
- A resource to help with accountability and support for achieving your business goals
