GREATER AKRON CHAMBER

Sponsorship Guide

2027

OVERVIEW

The Greater Akron Chamber (GAC) has developed a series of events and programs to support the organization's priorities and serve as opportunities to connect, convene and engage the business community with our key initiatives.

The events and programs are designed to not only connect business leaders with one another and relevant content, but also to serve as a platform for businesses seeking exposure to align their investment with key topics, experiences and audiences.

Enclosed are the 2027 sponsorship opportunities. Many of the dates, times, topics and venues have been selected already and those that have not are in development, to be completed shortly.

Please note: In an effort to provide broad access to exposure and ample opportunities to engage, GAC does not provide exclusive sponsorship opportunities outside of the newly offered event space sponsorships. All opportunities are afforded to any company interested in supporting this work.

Thank you for your consideration of these opportunities and the prospect of supporting our work in these areas. If you would like to sponsor or have questions about these opportunities, please email me at bpopa@greaterakronchamber.org.

We are looking forward to a great year of programming and we hope to have you as a partner to help make it happen.

Warm regards,

Brynn Popa

Investor Members of the Greater Akron Chamber are the business leaders who drive our regional growth and development. This exclusive event series gives Investor Members the chance to connect with peers through dedicated networking receptions, Investor Roundtables, and CEO Forums.

As part of our expanded Investor Event Series, we are introducing CEO Forums, exclusive gatherings twice a year for CEOs of Investor and Chair's Circle member organizations. These forums will focus on the pressing issues shaping our region's business community and economy, and offer timely insights into the Chamber's current work.

The Investor Networking Receptions occur three times per year and are open to leaders and representatives of Investor Member companies at no cost. This is a great opportunity to "be in the room" with other key leaders and decision-makers in our region. Space is limited; non-sponsor Investor Members may receive 1–2 tickets per company based on capacity.

New to the series this year are Investor Roundtable events. Held quarterly, these sessions offer an opportunity to explore the Chamber's strategic plan, learn more about our regional priorities, and discover new ways to engage in our work. Members and their teams will learn about more ways to get involved and make a meaningful impact in Greater Akron. Event Sponsors will have an opportunity to align their organization with the Chamber's mission, increase visibility among Investor members, and demonstrate their commitment to advancing our region.
