

Our Region. Your Business.

Benefits

Remaining competitive as an employer requires a strong set of employee benefits. Included here are unique offerings in the areas of health insurance, 401k retirement plans, technology security and workers' compensation.

Connectivity

Meet new clients, expand your contacts, and gain unique insights on regional topics at a series of Chamber events, meet-ups, and discussions, open to all members.

Visibility

Drive attention to your business and website via the GAC online membership directory, sponsorship opportunities, and by utilizing the GAC video production and podcast studios at a member rate.

Information

Stay up to date on pertinent information that impacts your business and benefit from the collective advocacy efforts as the Chamber works to advance public policy initiatives that make doing business easier.

MEMBERSHIP

Business Membership

The Business Membership is designed for companies who would like to enhance their competitiveness via employee benefits and increase their connectivity and visibility through attendance at Chamber events and access to information and resources.

+ Business Plus Membership

Companies who want to take their visibility and engagement to the next level should consider the Business Plus Membership. Inclusive of all the benefits in the Business Membership, this level provides for greater connectivity and exposure opportunities beyond events, including podcasts, video and engagement on task teams and committees.

Investor Membership

Designed for companies that want to lead while also increasing their visibility and connectivity to decision makers in the region. This membership brings all the benefits of our Business Plus Membership and provides for additional exposure, experiences, and recognition opportunities. Investor Members play an integral role guiding key efforts underway at the Chamber and the region.
