BUSINESS OWNER MEMBERSHIP

Supports the individual needs of the business owner/CEO of second-stage companies—those with 10-99 employees and \$1-\$50 million in revenue. This membership combines the company benefits of Business Membership with exclusive access to peer networks, personalized support, and curated experiences designed specifically for owners and CEOs navigating the opportunities and challenges of growth.

Business Owner Community

Connecting with other owners who are facing similar challenges accelerates growth. Join an exclusive online community designed for business owners to solve problems, generate ideas, make referrals, and share best practices. *Available Q4 2026.*

Connectivity

Building meaningful connections through PeerSpectives gives owners a confidential space to share challenges, learn from peers, and engage in conversations that support smarter growth—alongside access to curated GAC programs and events. *PeerSpectives is a \$1,000 value included in membership.*

Concierge Engagement

Navigating growth efficiently means spending less time searching and more time leading. Leverage concierge-level support to connect with trusted people and resources, saving you time, reducing friction, and accelerating your business forward.

Information and Experiences

Staying informed and connected prepares you for what's next. Access advocacy on key business issues, timely insights for second-stage companies, and exclusive events focused on growth. Through curated experiences and peer connections, you'll build community, exchange ideas, and stay ahead of emerging trends.

**For GAC Investor and Chair's Circle members, the Business Owner Membership is included for second-stage business owners/CEOs at no additional cost.*
