

Our Region. Your Business.

INVESTOR MEMBERSHIP

Advances companies who want to lead in the region by engaging them in key initiatives and regional efforts, while increasing their visibility and connectivity with decision-makers. This membership brings together all the employee benefits, business owner benefits and provides for additional exposure, experiences, and recognition opportunities.

Benefits

Staying competitive as an employer requires a strong set of employee benefits. From health coverage and retirement planning to cost-saving services, these benefits are designed to support your workforce and your business.

Connectivity

Expanding your network is key to growing your business. Meet new clients, expand contacts, and gain insights on regional topics at GAC events and programs, open to all employees of member companies.

Visibility

Increasing your visibility strengthens your brand. Leverage the GAC's online Membership Directory, sponsorship opportunities, and video and podcast studios at a member rate to help your business stand out.

Information

Staying informed positions you for what's next. Access key information affecting your business and benefit from the collective advocacy efforts as the GAC advances public policy initiatives that make doing business easier.
